Example 12. Core Phrase B grouping structure

Example 14. Core Phrase B, grouping structure of mm. 8–10, paradigmatic layout

The diagram illustrates the grouping structure of Core Phrase B across measures 8, 9, 10, and 11. It is organized into three systems, each with three staves: Metallophones (green), Gongs & drums (pink), and Bass & tactus (blue). Orange boxes with numbers (4, 6, 8, 11) indicate specific rhythmic groupings.

- System 2 (m. 9):** Metallophones (4, 4, 4), Gongs & drums (8), Bass & tactus (11).

Example 16. Features of a Supracultural New Music

- Repetition of groups unaligned with meter, eventually resolving to the downbeat (“tihai” or “mora” patterning from Indian classical music)
- Polyrhythmic, stratified, interwoven layers (Africa)
- Non-isochronous meter (South Asia, Central Asia, Middle East, E. Europe)
- Directed polyphony (Western)
- Groove, oral/aural performance
